Young Masters: AV Description Form - DANCE

Dance applicants should include 1 video clip demonstrating their artistic achievement and stage presence. Multiple clips are acceptable, but they must be edited into one single file.

Only 4 minutes will be viewed by the panel.

Dance audiovisual must contain:

- Solo performance (up to 4 minutes total).

TIPS:

- Be intentional about the order of the pieces.
- Technique can be filmed in dance class with a tripod and video camera. Only the applicant should be in the video segment.
- Be sure footwork is included.
- Performances with audiences will be accepted, but it must not be a group shot. The applicant must be easily identified. It should not be filmed from the back of the auditorium in an amateur manner.
- Make sure there is good visibility and color contrast in the pieces.
- All samples should include audio (*should be able to hear the music being danced to).*
