## Young Masters: AV Description Form - MUSICAL THEATER/THEATER

Musical Theater/Theater applicants should include 1 video clip demonstrating their artistic achievement and stage presence. Multiple clips are acceptable, but they must be edited into one single file.

Only 4 minutes will be viewed by the panel.
Musical Theater/Theater audiovisual must contain:

- Musical Theater applicants: singing, dancing, and acting-monologue (up to 4 minutes total).
- Theater applicants: 2 contrasting monologue(s) (up to 4 minutes total).
- Set Design applicants: 10 images of work including sketches and realized work (use Set Design AV Description Form)

## TIPS:

- The camera must remain stationary, and the video must include good sound and lighting, while keeping the actor in view at all times.
- The performer may move to accentuate the monologue or song.
- Performances with live audiences will be accepted, but it must not be a group scene. The applicant must be easily identified. It should not be filmed from the back of the auditorium in an amateur manner.
- Be intentional about the order of the pieces.
